Omaha, NE 68102-4978

Re: Millcreek Superfund Site - Contract No. DACW45-89-C-0190  
Revised 35% Design Analysis Report

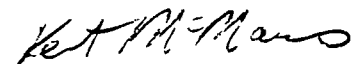

Gentlemen:

Enclosed for your review are twelve (12) copies of draft responses to the 35% Design Analysis Review comments and 35% Design Review Meeting minutes. Several of the comments have not been addressed pending resolution of some outstanding issues. We are in the process of revising the 35% Design Analysis Report. Once the outstanding issues are resolved and we have received feedback on the enclosed draft responses, a revised 35% Design Analysis Report will be prepared.

A distribution list indicating detailed distribution is attached for your reference. If you have any questions in regard to this matter, please feel free to contact us.

Very truly yours,

MALCOLM PIRNIE, INC.

  
Kent R. McManus, P.E.
